Faculty of Science Emilie Jäger Lecture

# **digital in/justice and data feminism**

**14 May 2025, 16:15 - 18:00**

**Aula Hauptgebäude**

**Hochschulstrasse 4**

Prof. Dr. Catherine D'Ignazio (Massachusetts Institute of Technology) discusses feminist data activism, exploring how collective approaches grounded in care and restoration offer transformative pathways toward data justice. Drawing from examples of grassroots initiatives documenting feminicides, she highlights the potential of feminist practices to challenge mainstream data science.

At this event, Prof. D'Ignazio will receive the Emilie Jäger Award of the Faculty of Science

Apéro & book signing after the lecture

Organized by the UniBE Digital In/Justice Initiative

This event is co-sponsored by the Equal Opportunities Commission of the Faculty of Science, Bern IberoAmericanStudies, the Vice-Rectorate Quality and Sustainable Development, and the mLAB
